COVID-19 ATTESTATION / SCREENING QUESTIONS

Each week players, or a parent/guardian, will be asked the following for COVID-19 screening:

- Do you have any of the following symptoms of COVID-19:
 - Fever and/or chills: Temperature of 37.8 degrees Celsius/100 degrees Fahrenheit or higher;
 - Cough or barking cough (croup): Not related to asthma, post-infectious reactive airways, COPD, or other known causes or conditions you already have;
 - Shortness of breath: Not related to asthma or other known causes or conditions you already have;
 - Sore throat: Not related to seasonal allergies, acid reflux, or other known causes or conditions you already have;
 - Difficulty swallowing: Painful swallowing (not related to other known causes or conditions you already have);
 - Decrease or loss of smell or taste: Not related to seasonal allergies, neurological disorders, or other known causes or conditions you already have;
 - Pink eye: Conjunctivitis (not related to reoccurring styes or other known causes or conditions you already have);
 - Runny or stuffy/congested nose: Not related to seasonal allergies, being outside in cold weather, or other known causes or conditions you already have
 - Headache: Unusual, long-lasting (not related to tension-type headaches, chronic migraines, or other known causes or conditions you already have);
 - Digestive issues like nausea/vomiting, diarrhea, stomach pain: Not related to irritable bowel syndrome, menstrual cramps, or other known causes or conditions you already have;
 - Muscle aches: Unusual, long-lasting (not related to a sudden injury, fibromyalgia, or other known causes or conditions you already have);
 - Extreme tiredness: Unusual, fatigue, lack of energy (not related to depression, insomnia, thyroid dysfunction, or other known causes or conditions you already have);
- Has a doctor, health care provider, or public health unit told you that you should currently be isolating (staying at home)? (YES/NO)
- In the last 14 days, has a public health unit identified you as a close contact of someone who currently has COVID-19? (YES/NO)
- In the last 14 days, have you received a COVID Alert exposure notification on your cell phone? (YES/NO)
- In the last 14 days, have you or anyone you live with travelled outside of Canada? (YES/NO)
- Is anyone you live with currently experiencing any new COVID-19 symptoms and/or waiting for test results after experiencing symptoms? (YES/NO)

If you feel unwell before a soccer game, you should stay home.
